1. It has been customary for a member of the Secretariat to address the students attending the Basic Intelligence Course (Clandestine Services) at each of its sessions regarding the Career Service Program. On Monday, 26 April 1954, I explained the plans and proposals that the Board had recently approved or that were pending before it. I told the assembled group of about 80 professional employees that they could be of great service to the CIA Career Service Board if they would provide it with their opinions as to the efficacy of these plans. The results are attached.
